Student Code of Conduct

Purpose

The Student Code of Conduct (“Code”) is the school’s response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the school to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the LSSA School Board of Trustees and developed with the advice of the school-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside the school year until an updated version adopted by the board becomes effective for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be available at the office of the campus behavior coordinator and posted on the charter holder’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the school’s board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the Student Handbook, the Code shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School Authority and Jurisdiction

School rules and the authority of the principal to administer discipline apply whenever the interest of the school is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The school has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school or a school-sponsored or school-related activity on school transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
6. When a student engages in cyberbullying, as provided by Education Code 37.0832;
7. When criminal mischief is committed on or off school property or at a school-related event;
8. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
9. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
11. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal, Program Director or any other campus administrator selected by the principal or Program Director. The campus behavior coordinator is primarily responsible for maintaining student discipline. The school shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. Contact information is Dr. Otis Clayton at otis.clayton@rop.com and at gctc.us to access digital copy of the Student Code of Conduct.

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment safe and supportive school team to implement the school's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

Searches

LSSA staff may conduct searches of students, and their belongings in accordance with state and federal law and school policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner.

Desks, lockers, school-provided technology, and similar items are the property of the school and are provided for student use as a matter of convenience. School property is subject to search or inspection at any time without notice.

Reporting Crimes

The principal and/or behavior coordinator or designee as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

Security Personnel

LSSA School board has not elected to use school officers at this time. Any issue requiring legal attention will be referred to Walker County Sheriff Department.

Participating in Graduation Activities

The school has the right to limit a student’s participation in graduation activities for violating the schools’s Code.

Participation might include a speaking role, as established by school policy and procedures.

Students eligible to give the opening and closing remarks at graduation and/or speeches shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student, a student shall not have engaged in any misconduct in violation of the school’s Code resulting in disciplinary action.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator shall have the authority to refuse entry or eject a person from school property if the person refuses to leave peaceably on request and:
